

Special
EVENT
RENTALS

About Us

It has been our pleasure to work with our many varied clients since our start in 1972. We have grown from a small equipment rental store to serving our clients with their equipment and special event needs at our three locations in the Philadelphia area. We still remain a family owned and operated business with two generations to serve you. A considerable number of our team have grown with the company and worked with our loyal clients over the years. We take great satisfaction in the growth of our company and the list of caterers, hotels, corporations, temples, churches, universities and local families that have come to depend on us for their special event equipment needs.

Whether you are planning a simple back yard party, an elegant wedding, bridal/baby shower, bar/bat mitzvah or other religious event, a corporate event , commencement ceremony or even a simple dinner party, A to Z Party Rental and Rental World are equipped to assist you in planning your event and providing the most suitable equipment for your needs.

We understand the importance of quality rental equipment, on-time and accurate deliveries, and attention to detail. We constantly strive to live up to those expectations. It is our goal to keep our equipment up-to-date and current with the latest trends.

Thank you for considering us as a partner to your event. We look forward to working with you to make your special event more spectacular.

The Staff at A to Z Party Rental and Rental World.

Seating Information

Rule of Thumb for estimating seating capacity per square foot:

For Banquet Style Seating

- When using oblong tables, divide the room area (sq. ft.) by 8.
- When using round tables, divide the room area (sq. ft.) by 10.

These figures are for maximum seating. If space is available for more comfortable seating, allow an additional 2 sq. ft. per person

Aside from main traffic areas, allow 54" between round tables for chair and service space and 60" between oblong tables where seating is back-to-back. This permits 24" service space behind 18" chair depth.

For Classroom Style Seating

Divide the "student" seating area (sq. ft.) by 8.

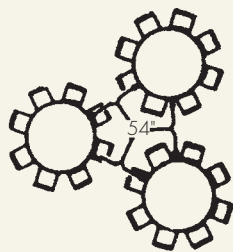

For Theater Style Seating

Divide the "spectator" seating areas (sq. ft.) by 6. This method of figuring allows for chair and passage aisle. It does not allow for problems caused by traffic aisle, location of columns, service doors or unique room shapes. It is useful for a quick, general approximation.

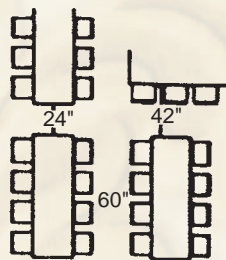

Where food service is not required and seating is at one side of the table, allow 36" between. While this may vary with degree of aisle comfort required, 36" distance between rows of chairs will suffice.

Seating and Space Guide

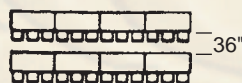

Cocktail parties (stand up)	5 to 6 sq. ft./person
Cocktail parties (some seated)	8 sq. ft./person
Reception, tea type (some seated)	8 sq. ft./person
Dinner, using oblong tables	8 sq. ft./person
Dinner, using round tables of 10	10 sq. ft./person
Dinner, using round tables of 6, 8, or 12	12 sq. ft./person
Cathedral seating (seating in rows)	6 sq. ft./person
Dance area	2 to 4 sq. ft./person

All About Renting

Most of our equipment can be transported by the customer. Rates for delivery and pick-up are on an individual basis determined by the size of the order and distance of travel. Delivery is available to all locations. Our delivery personnel are instructed to neatly stack all items in a mutually agreed upon place on delivery. Delivery prices are for first floor, tailgate delivery. Additional requirements may be subject to extra charges. Arrangements for a setup and for knock-down must be made in advance with an additional charge.

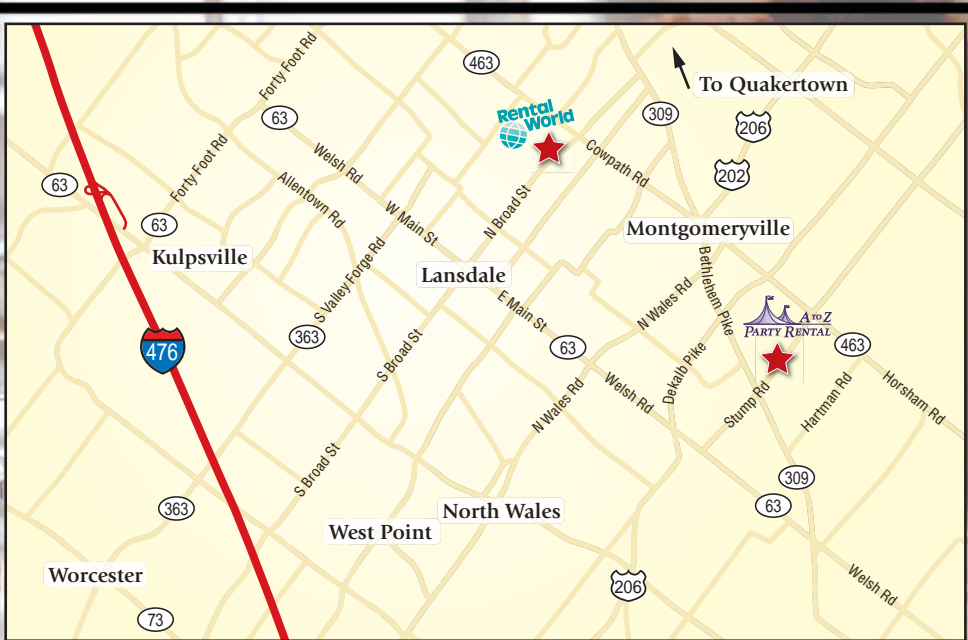

A Security Deposit/Cancellation Charge is required to reserve all rental equipment. MasterCard, Visa and Discover cards are accepted. All contracts must be paid in full before delivery or pick-up.

Any changes to your order must be made at least 72 hours in advance of your pick-up or our delivery of the equipment rented. Cancellation charges do apply.

We package our equipment in special containers for china, glassware, silver, etc., to insure that you receive your items sterilized, undamaged, sparkling, and Table Ready. All china, glassware, silver, etc., should be cleaned and repacked in the same condition as delivered. Glassware should be turned upside down in the racks. Flatware should be cleaned, sorted and packed separated by item. China should be cleaned and packed sideways in their racks whenever possible to cut down on transport breakage. All tables and chairs should be folded and stacked for pick-up at a mutually agreed, single location. Items not meeting these requirements will be subject to additional fees. Linens must be returned dry. For sanitary reasons, all equipment must be returned clean. Items returned dirty are subject to a cleaning charge

Responsibility for rental items remains with the renter from the time of delivery to the time of return. Please be sure all rental items are secured when not in use and protected from the weather. We offer an optional DAMAGE WAIVER so that you can be protected from accidental damage. This does not cover missing equipment, negligence, or willful destruction of rented equipment. If you opt not to take the damage waiver, you will be charged the replacement cost for damaged, and missing equipment.

Prices subject to change without notice.
