STORE POLICIES

Identification:

Identification is required on all rentals. Current drivers license, vehicle registration, utility bills along with a document bearing a signature which indicates local residence. Master Card, Visa, and Discover may be used. For those who have just moved to the area and have not changed the address on their identification, contact Rental World to determine what can be used as Identification.

In all cases, the renter must be at least 18 years of age.

Rental Period:

The rental period begins and ends when the contract is processed at the counter. When the rental item is being delivered, the rental period starts at the time the equipment is loaded onto the Rental World vehicle and ends when it is unloaded at Rental World. Rent charges are calculated on time out and time in, not time used.

Deposits:

Deposits are taken on some rentals unless a house charge is established. The deposit amount will depend on the rental rate and time period of rental. Cash, credit cards (Visa, MC and Discover), local checks with local identification may be used for the deposit. When a check is left as a deposit, and the check is deposited in the bank, the deposit refund will be mailed after the check has cleared the bank which takes approximately two weeks.

There is a \$25 charge on all checks returned and not processed by the bank.

Reservation:

Reservations are recommended on all items to assure the availability of the item desired. A deposit is required unless a house account has been established. If the item reserved is cancelled or is not rented at the time scheduled, the cancellation charge will be the amount of the reservation deposit. On house accounts, the cancellation charge is approximately 20% of the rental. Garden equipment reserved may be transferred to another date, but not cancelled, due to rain or excessive wet conditions. This reservation transfer must be accomplished with a phone call prior to the reservation time otherwise the deposit will be held as a cancellation charge.

Weekend Rates:

Weekend rates on all items are as follows:

Rented out after	Returned by	Rental Charge
Friday, 5 p.m.	Monday, 9 a.m.	2 Day
Saturday, Noon	Monday, 9 a.m.	1 1/2 Day
Saturday, 5 p.m.	Monday, 9 a.m.	1 Day

A member of the Rental World staff will review the operation of the equipment with you prior to leaving the premises and assist you in loading the equipment into your vehicle. Customer should inspect equipment prior to leaving the premises, acknowledging that the equipment is in proper operating order and is familiar with the operation of the equipment. If there are additional questions regarding the equipment operation, customer should request information by an assisting attendant, do not leave the premises without obtaining satisfactory answers to the questions.

SAFETY TIPS FIT THE LADDER TO THE JOB

- Do not use ladder jacks on household grade ladders.
- Damaged or straightened ladders are not safe.
- Ladders are designed to support one person safely. Never overload.
- Do not use metal ladders near power lines.
- Use ladder only for climbing... not as a platform, plank, or hoist.
